To Whom It May Concern:

Please let this letter serve as notification that Moreton & Company has established a surety line of credit on behalf of Alarmco, LLC. This line of credit is established with a reputable national insurance carrier. It is our commitment to support Alarmco on all projects large or small that fit within its vocation. Alarmco currently enjoys a line of credit with a per job limit of \$2,000,000 and an aggregate of \$4,000,000. As Alarmco's need arises we are able to increase this limit for larger projects .

Moreton & Company was founded in 1910 as a bonding agent for Wasatch Front contractors. Today, Moreton is ranked as America's 88th largest broker and provides a full range of insurance and risk management services to all sizes of business.

Please contact me directly with any questions that may arise.

Sincerely,

Greg Ewing
